

At the time of your birth, the Moon was in transit in the fourth phase of Mrigshira Nakshatra.

As you are born during this period, you have attained the effect of fourth phase of Mrigshira Nakshatra. As you are born in Mrigshira Nakshatra, the Zodiac sign of your birth is Gemini and Mercury is the ruler of this birth sign. According to the holy records, the first word of the name of the native, who take birth during the fourth phase of Mrigshira Nakshatra, should be Ki (their name should start with the word Ki).

The salient characteristics and features of Mrigshira Nakshatra have been explained in various famous volumes and literary compositions in different ways. For example, according to the famous volume named "Jaatak Parijaat", the natives who take birth during this Nakshatra have been described through this couplet: -

चाण्डे सौम्यमनोऽनः कुटिलदृक् कामातुरो रोगवान्।

This means, these natives are very quiet natured, and gentle. They love travelling. They possess a very crooked sight and in habits, are very lustful and remain sick as well.

Some more features of Mrigshira Nakshatra born natives have been described in another volume on astrology named "Vrihajatkam", through this following couplet: -

चपलश्चतुरो भीरुः पटुरुत्साही धनी मृगे भोगी।

This means that the natives who take birth during Mrigshira Nakshatra possess features like, they are very clever and unstable. But still by nature, they are very timid and polite in language. They are optimist and live in splendor and prosperity.

The literary composition on astrology named "Jaatak Deepika", explains the main features of natives, who take birth during Mrigshira Nakshatra, through following couplet: -

चतुरश्रचपलोधीरः क्रूरकर्मा क्षुधातुरः।
अंहकारी परद्वेषी मृगशीण्णा भवेन्नरः॥

This means that the natives, who take birth during Mrigshira Nakshatra are very clever and unstable but very patient. They are very cruel in their activities and always have a good appetite. They are in a habit of feeling zealous of other people.

The literary composition named, "Jaatka Bharnam", has described the Mrigshira Nakshatra natives with the characteristics explained in the following couplet: -

शरसनाभ्यासरतो विनीतः सदानुखतो गुणिनां गणेषु।
भोवता नृपस्नेहभरेण पूर्णः सन्मार्गवृतो मृगजातजन्मा॥

This means that the natives who take birth during Mrigshira Nakshatra, are an expert in using arms and armaments. By nature, they are very polite and care for qualities. They love luxury and the king likes them. They always choose the right path.

In brief, the natives who take birth during Mrigshira Nakshatra, possess the following features and characteristics: - They are very clever and unstable. They are very good orators but timid by nature. They are very rich and lead a luxurious life. They are very enthusiastic and tender by nature. They love travelling and are very lustful, but are sick and nimble. In their physique, they are strong and handsome but their eyes are very restless. They are very courageous and have a calm nature. These type of natives possess unlimited wealth and several friends. They are very learned but sometimes very selfish and proud as well.

Your Zodiac sign or your birth sign is Gemini and Mercury is the ruler of this sign. In various famous literary composition on astrology, the different features and characteristics of Gemini natives have been described differently. For example, the volume, named "Jaatak pariijaat", describes the features of Gemini natives through the following couplet: -

दीर्घायुः सुरतोपचारकुशलो हास्यप्रियो युग्मके।

This means, the Gemini natives live a long life. They like fun and laughter. They are very perfect in sexual activities.

According to another volume, named "Maansagari", the Gemini natives possess the features as mentioned in the following couplet: -

मिष्टवाक्यो लोलदृढदयालुमैथुनप्रियः।
गान्धर्ववित्कण्ठरोगी कीर्तिभागी धनी गुणी॥
गौरो दीर्घः पटुर्वक्ता मेधावी च दृढव्रतः।
समर्थो न्यायवादी च जायते मिथुने नरः॥

This means, these natives are very soft and polite in their language. Their eyes are very inconstant and they are very kind hearted also. They love the sexual activities. They are very good singers, but have some diseases in their throat. These natives are very famous and popular. They are very rich and wealthy also. They possess many good qualities. In their appearance, they are very tall and have a fair complexion. These natives are very clever in their conversation. They are very intelligent with a strong will power. Such natives are capable of every work and are very judicial in every type of situation and always do justice.

In another volume, named "Saarawali", some more characteristics have been explained, through the following couplet: -

उन्नासश्यामचक्षुः सुरतविधिकलाकाव्यकृद्भोगभोगी
हस्ते मत्स्याधिपांको विषयसुखरतो बुद्धिदक्षः सिरालः।
कान्तः सौभाग्यहास्यप्रियवचनयुतः स्त्रीजितो व्यायताङ्ग
याति वलीबैश्व सख्यं शशिनि मिथुने मातृयुग्मप्रपुष्टः॥

This couplet means that the natives, who attain the Gemini sign at the time of their birth, have their nose long and eyes black in colour. They are very perfect in sexual activities.

They also love and like poetry, and enjoy the different comforts in their life. They possess a fish shaped mark on their hand. In their life, they indulge in different fields at enjoyment and comforts. They are very intelligent with big eyes. Such natives are very beautiful, attractive and fortunate. They like fun and laughter. These natives always talk very softly and politely. The males are generally defeated and dominated by the ladies. Such natives are very tall in their body.

In another literary composition named, "Jyotishtatva", the features of Gemini natives have been described through following couplet:

सुरतविधि कलाविन्नीलनेत्रोच्चनासो
 विषय सुखसमेतो भोगभाग व्यायताङ्गः।
 दयितवचनयुवतः काव्यकृत् कील्वसख्यः
 शशिनि न्युजि हस्ते मत्स्यपावडः शिरालः।

This means, these natives are very expert and perfect in different type of arts. They possess a long nose and black eyes. They also possess all the facilities and comforts in their life. Such natives are very huge in their body. They like and love poetry. They possess fish shaped mark on their hand.

According to another volume, named "Phal Deepika", the Gemini natives possess the features, as mentioned in the following couplet: -

श्यामेक्षणः कुण्वतमूर्द्धजः स्त्रीक्रीडानुरवतश्च परेवडतज्ञः।
 उत्तुङ्गनासः प्रिसगीतनृत्रो वसन सदान्त सदने च युग्मे।।

This means, these natives possess black coloured eyes and curly hair. Such type of natives are very amorous and extremely intelligent. These natives are capable of knowing the wish of other people, very quickly. They mostly like to stay at home, i.e, they are not nomads.

The other book, named "Jaatak Bharnam", describes the features of Gemini natives through the following couplet: -

प्रियकरः करमत्स्ययुतो नरः सुरतसौख्यभरो युवतीप्रियः।
मिथुनराशिगते हिमगौ भवेत्सुजनताजनाकृतगौरवः॥

This means, these natives are very popular in the society. They possess a fish shaped mark in their palm. Such natives are very perfect in the sensuous activities. The males are liked and loved by the ladies. Moreover, they also earn fame, dignity and respect in the society for their civility.

In another famous volume of astrology named "Jaatak Deepika", the characteristics of Gemini natives have been explained through the following couplet: -

मृदुरुपचितगात्रः श्लिष्टविस्पष्टवाक्यः।
परजनहितकर्ता पंडितो हास्य युवतः॥
प्रकृति शुभचरित्रं श्लेष्मपित्तस्वभावो।
भवति मिथुन जातो गीतवद्यानुरक्तः॥

This means, these natives are physically very delicate and healthy. They are very frank in their language. In society, they always help others. They are very learned people. Such natives like humour and possess a very good character and conduct. They suffer from cough and acidity and indulge in music.

In brief, the salient features and characteristics of Gemini natives may be described as follows; they are very clever and intelligent. They possess very sincere and strong friends. Such natives are very courteous and they talk very limited. They care and look after their family. They love the sensuous activities and enjoy the things. Such natives possess many qualities and by nature they are very charitable people. They indulge in licentious activities. Such natives love dance and music and possess the thorough knowledge of holy literature. They use very polite and courteous language. These natives possess a very sharp brain and they like books. They are very prompt in physical as well as mental works. They are very beautiful and they also experience humour and gambling. In appearance, these natives possess a long nose, curly hair, round eyes and marks of mole and spots over their body.

Such natives are very much satisfied by their spouse. There are chances of acquiring the wealth suddenly. They possess more than one job and always like changes in their work.

In the lunar month, the first, second, seventh and Twelfth Day and the Aashad month, Swati Nakshatra and Monday, they all are very unfavourable and unlucky for them. The Taurus, Leo, Virgo and Libra natives oblige them. But they develop enmity with Cancer natives. Such natives should worship Lord Ganesha as their Deity. The donation of Emerald, green coloured clothe, Wheat and Ghee are very much beneficial for them. In addition to that, the Tantrik Mantra of Mercury should be muttered for reduction of sinner affects and mental tension. The fire sacrifices are also very beneficial. The Tantrik Mantra of Mercury is as follows:

ॐ ऐं स्त्री श्री बुधाय नमः।
